From Concept to Actionable Insights:

Explore the Possibilities of GenAI

What is it?

A 4-week fixed fee engagement that explores GenAI use cases at your organization to assess potential impact, feasibility, and prioritization. Upon identification of a selected use case, a full-stack team is dedicated to delivering a proof-of-value for the selected use case.

Key Features

Duration:	Delivery Model:	Retail Value:	Discounted Cost:
4 weeks	Fixed Fee	$60,000	$15,000*

Benefits

- GenAI thought leaders guide how to assess and identify GenAI use cases

- Full-stack implementation team deliver a working prototype GenAI solution

- Deep discounting brought to you by **aws** and **pmsquare**

How to Get Started

The engagement begins with a complimentary, no-obligation Ideation Session. In this collaborative half-day workshop we provide a platform where you can engage with our GenAI thought leaders to identify use cases, explore opportunities and craft impactful concepts tailored to your business. In the end, a roadmap and project plan will be provided to kickstart the POV engagement.

Initiate: Reach out to our team to schedule an Ideation Session and kickstart your GenAI journey.

Prepare: Complete a pre-workshop questionnaire that will help our team bring the most relevant agenda.

Collaborate: Embrace your workshop, an active exchange of ideas and brainstorming.

Activate: Go forward with the optimal path towards GenAI.
